Truckee-Carson Irrigation District Facility Yard, Blacksmith Shop/Iron House

HAER No. NV-6-H

Location: 6th and Taylor Streets
Fallon, Churchill County, Nevada

Date of Construction: 1924

Architect: U. S. Reclamation Service

Present Owner: U. S. Bureau of Reclamation

Present Use: Vacant

Significance: This building was built to replace the original blacksmith shop on the same site that burned on June 13, 1924. The existing building has been part of the complex since 1924 and was used for blacksmithing throughout its history.

Project Information: Documentation on this structure was prepared by the Bureau of Reclamation and the University of Nevada, Reno, in compliance with Executive Order 11593 and a Memorandum of Agreement with the Advisory Council on Historic Preservation, the State of Nevada Division of Historic Preservation and Archaeology, and the U. S. Bureau of Reclamation.

Compiler: Donald Hardesty
Department of Anthropology
University of Nevada, Reno
